# 低俗霊 DAYDREAM 5

Okuse Saki

Meguro Sankichi

Why not just let people who want to die die? Afterwards, as long as you cry even one tear, there won't be anything on your conscience. Good bye. We won't ever meet again, and we're not really in good shape here either, but right now at this instant, the planet that we all still live on is still revolving around the sun

低俗霊 DAYDREAM

But it seems like Saiki Misaki feels a bit differently. It's a very subtle difference though

The "Kakujyu" onsen1
Hakone Douga Island Onsen
PHEW --
There are many people who have become enchanted by this mysterious scenery
The area has made an appearance in many literary works, and is also famous for being the location for many movies
The form of a luxurious mansion surrounded by nature will take shape in a valley before you
After a relaxed ascent up the mountains on a personal cable-car constructed in the 5th year of the Showa reign

1 fugu [Trans. Note] Kakujyu is composed of two characters, the first is "stork" or "crane", the second is "longevity". This is the name of this particular onsen
2 fugu [Trans. Note] Showa 6 should be 1930. Possibly 31, that has always confused me. --fugu

HAAAA
---
Please think of trying "Kakujyu Onsen" when you come to Hakone
Health benefits of Onsen - Salt water onsen for eating trouble - beneficial onsen - mental health problems - cuts, gashes, and bruises
They're even effective for sensitivity to cold
It is said that you can especially feel the breath of nature in the outdoor onsen built on the river

1 fugu [Trans. Note] Not first bath precisely, but the first onsen you get into

1 Tugu [Trans. Note] Ebina is "shrimp" or "prawn" – I suspect that this is a name for this part of the Tokyo-Nagoya highway

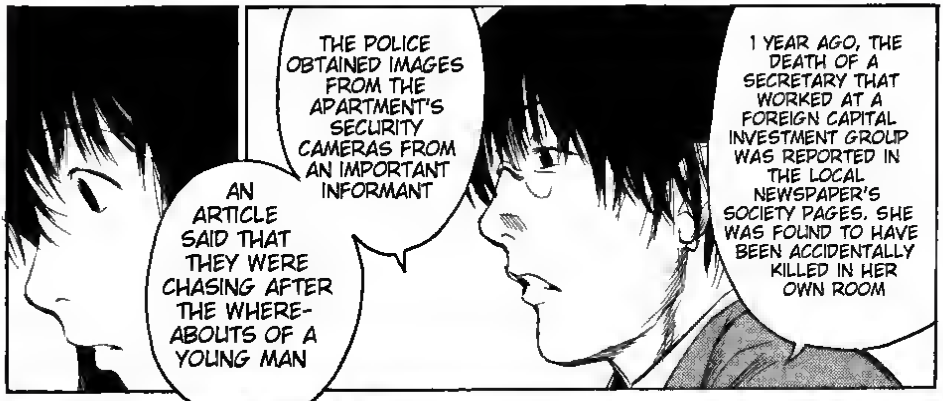
I WASN'T EVEN REALLY GOING TO SCHOOL BEFORE HE WAS SUSPENDED ANYWAY
IT'S NOT LIKE WE WERE REALLY GOOD FRIENDS BEFORE THAT EITHER ...
... I DON'T KNOW ANYTHING AT ALL ABOUT WHY FUJIWARA-KUN WAS SUSPENDED

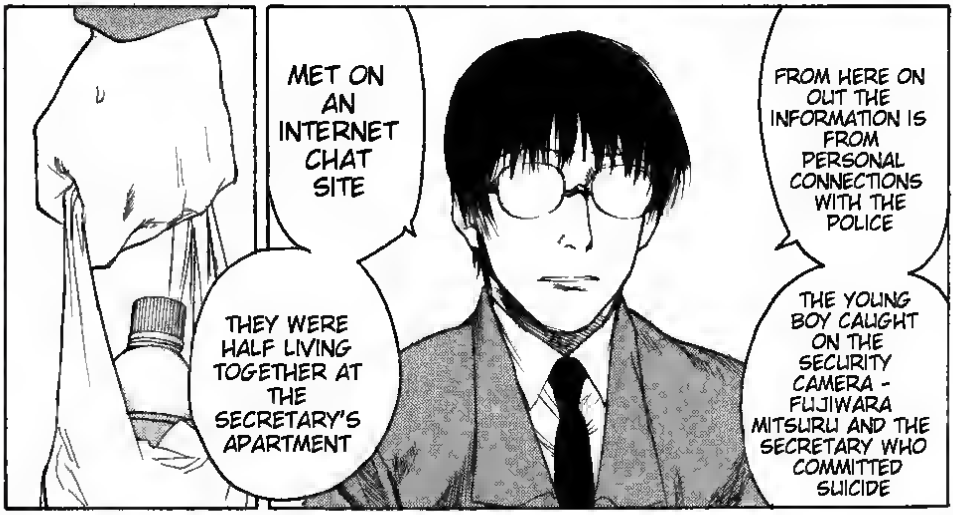


AN ARTICLE SAID THAT THEY WERE CHASING AFTER THE WHERE-ABOUTS OF A YOUNG MAN
THE POLICE OBTAINED IMAGES FROM THE APARTMENT'S SECURITY CAMERAS FROM AN IMPORTANT INFORMANT
1 YEAR AGO, THE DEATH OF A SECRETARY THAT WORKED AT A FOREIGN CAPITAL INVESTMENT GROUP WAS REPORTED IN THE LOCAL NEWSPAPER'S SOCIETY PAGES. SHE WAS FOUND TO HAVE BEEN ACCIDENTALLY KILLED IN HER OWN ROOM

... EH ?

THE RESULTS OF THE LEGALLY-ORDERED AUTOPSY INDICATED THAT THE CAUSE OF DEATH WAS POISONING DUE TO DRUG OVERDOSE
THE NEWSPAPER REPORTS ENDED THERE
THE FOLLOW-UP REPORT INDICATED THAT THE POSSIBILITY OF SUICIDE WAS HIGH
SUICIDE
THE NEWS-PAPER REPORTS
THUMP
... THE IMPORTANT INFORMANT -1
FUJI-WARA-KUN ...?

1 fugu [Trans. Note] actually, not informant but "reference person" as in someone who write recommendations and stuff. I don't know much about Japanese law / court systems though.



MET ON AN INTERNET CHAT SITE
THEY WERE HALF LIVING TOGETHER AT THE SECRETARY'S APARTMENT
FROM HERE ON OUT THE INFORMATION IS FROM PERSONAL CONNECTIONS WITH THE POLICE
THE YOUNG BOY CAUGHT ON THE SECURITY CAMERA - FUJIWARA MITSURU AND THE SECRETARY WHO COMMITTED SUICIDE

1 fugu [Trans. Note] He really stressed the "I *already* told you" part by drawing out the da-ka-ra.

2 fugu [Trans. Note] Most of you should know of the standard anime clichés of someone's nose running when they see / think of ... just things. It is also a running gag with Kadofuke Shujichirou.

1 fugu [Trans. Note] I don't know what kanji they are using for "doukou" so am just guessing at this translation.

2 fuou [Trans. Note] What the hell is "iwanko chyanai"? The older man is using some real colloquial dialouge - I left it out entirely. Sorry!

Writing: Please contact me ... Tokyo 3-

1 fugu [Trans Note] She was talking about taking the Pirate ship at the end of Volume 4, but I think at that time I skipped and didn't notice "Pirate" in front of "Ship" - but that is why Kandotake keeps having these odd Pirate-Misaki visions.

RIP RIP
DON'T THROW UP IN THE CAR, HARU
WHY DON'T WE TAKE A REST SOMEWHERE UNTIL THE SUN SETS
... HM, THAT'S RIGHT

**Greetings, Kadotake Souichirou-sama,
You have felt the invisible touch of the hand of god, haven't you?**

Greetings, Kadotake Souichirou-sama

**You have been touched by the invisible hand of God, haven't you? My conclusion is that in the end, I'm going to a world for only Kika and myself. Including you, some other person, is just not possible in the conclusion I have come to, and is completely irrelevant. If, by some chance you and some other person have become involved, and have been caused uneasy feelings, that was not my intention. I just wanted to communicate that one to you, which is why I left this note.**

**Kika and I are cousins, who met as relatives who rarely ever saw each other. For a long time, we knew of each other's existence, but never had a chance to meet directly and talk. I was the first one to go to Tokyo, and then she came to Tokyo and under the guise of receiving help with a relative, she came to stay with me, and we started seeing each other.**

**Of course, since we are cousins, I always felt guilty. When Kika became pregnant, we took the opportunity to find out that we were actually half-siblings by different mothers, the guilt became too great to bear. In the end, Kika distanced herself from me, and she handled the child herself.**

**At that time, I became really very scared, I just closed off my heart, and waited for things to settle down.**

**It wasn't a question of fate.**

**It was a question of my cowardice.**

**Then, I just didn't have the strength to look foward and live life after accepting my cowardice when I allowed Kika to die. Maybe that weakness and cowardice was a legacy from both Kika and my true father. Kika and my true father also, when I was in middle school, exactly like I am doing, just tried to run away from fate by committing suicide.**

**For me, the invisible hand of god that I feel is entirely within myself.**[1]

Totsuka Ryuusuke

1 fuou [Trans. Note] Yoshida Kika was the ghost on the bridge, Tostuka's girlfriend, from volume 4.

Writing. Invisible hand (of god) is entirely within myself

I'M GOING TO PERFORM AN EXORCISM !!3
SK-SKIN? WIPE OFF ??
YES !?
SOU-ICHI-ROU !!
WE'RE GOING TO ASHINOKO AT SUNSET !!
WE'RE GONNA WIPE THE SKIN OFF OF THESE BASTARDS !!

1 fugu [Trans. Note] I think she is talking about the Tetsuka case - not positive though. Also, I don't know what "bokehasu" is - even a google search didn't turn up many documents (only 2!)

2 fugu [Trans. Note] I don't know what "Kawakamuri" is - but this is my best guess. Again, google searching (and dictionaries, of course) yield little information. The exorcism she wants to perform is, I think, the one that she got caught up in with Haru - the suicide of Koshigaya and Isanami and friends.

3 fugu [Trans. Note] I translated "Tsuchiyose" here as "Exorcism" and not the proper "Necromancy" - in general they conflate the two terms into Kuchiyose.

MISTRESS MISAKI
YES PLEASE
IS SHE GOING TO HAVE HIM CALL HER THAT ALL THE TIME ... ?
I'M SORRY MISAKI-SAMA
YES
BE CAREFUL IN THE FUTURE

1 fugu [Trans Note] "-sama" is a polite honorific - it indicates more respect than "-san" (but less than "-dono"). Also, "ii na" (that's great!) I wish one could make out what is written in the panel below on Kadokake's face. He seems to have a bit of a masochistic streak in him as well.

ARE YOU AFRAID ?
KUNUGI
IT'S NOT LIKE MY AND MY FAMILY'S PROBLEMS WILL BECOME UNSOLVABLE ONCE YUO IS CAPTURED1
I DON'T KNOW WHAT I SHOULD DO
I SEE ... YEAH, I'M SCARED TOO
IT'S NOT LIKE YUO'S OWN PROBLEMS WILL BECOME UNSOLVABLE EITHER2
... HE MIGHT NOT KNOW WHAT TO DO, AND THEN JUST ENDED UP DOING WHAT HE DID
I THINK YUO MIGHT THINK THAT AS WELL

1 fugu [Trans. Note] He actually says "illness" or "disease", but I think problems is a better translation - I think he is talking about the strain between him and his father, his father's abuse of his half-sister, etc.

2 fugu [Trans. Note] Again, I translated "disease" / "illness" as problem. I think the "ghost me" would be Yuo's depression? Maybe? I don't know exactly. I doubt they do either.

1 fugu [Trans. Note] Or possibly she is talking about Misaki, it is a little unclear.
2 fugu [Trans. Note] Or maybe loose women, but literally "wet" here
3 fugu [Trans. Note] Not just "toilet" but specifically a "flushing toilet" - to go with the running water theme...

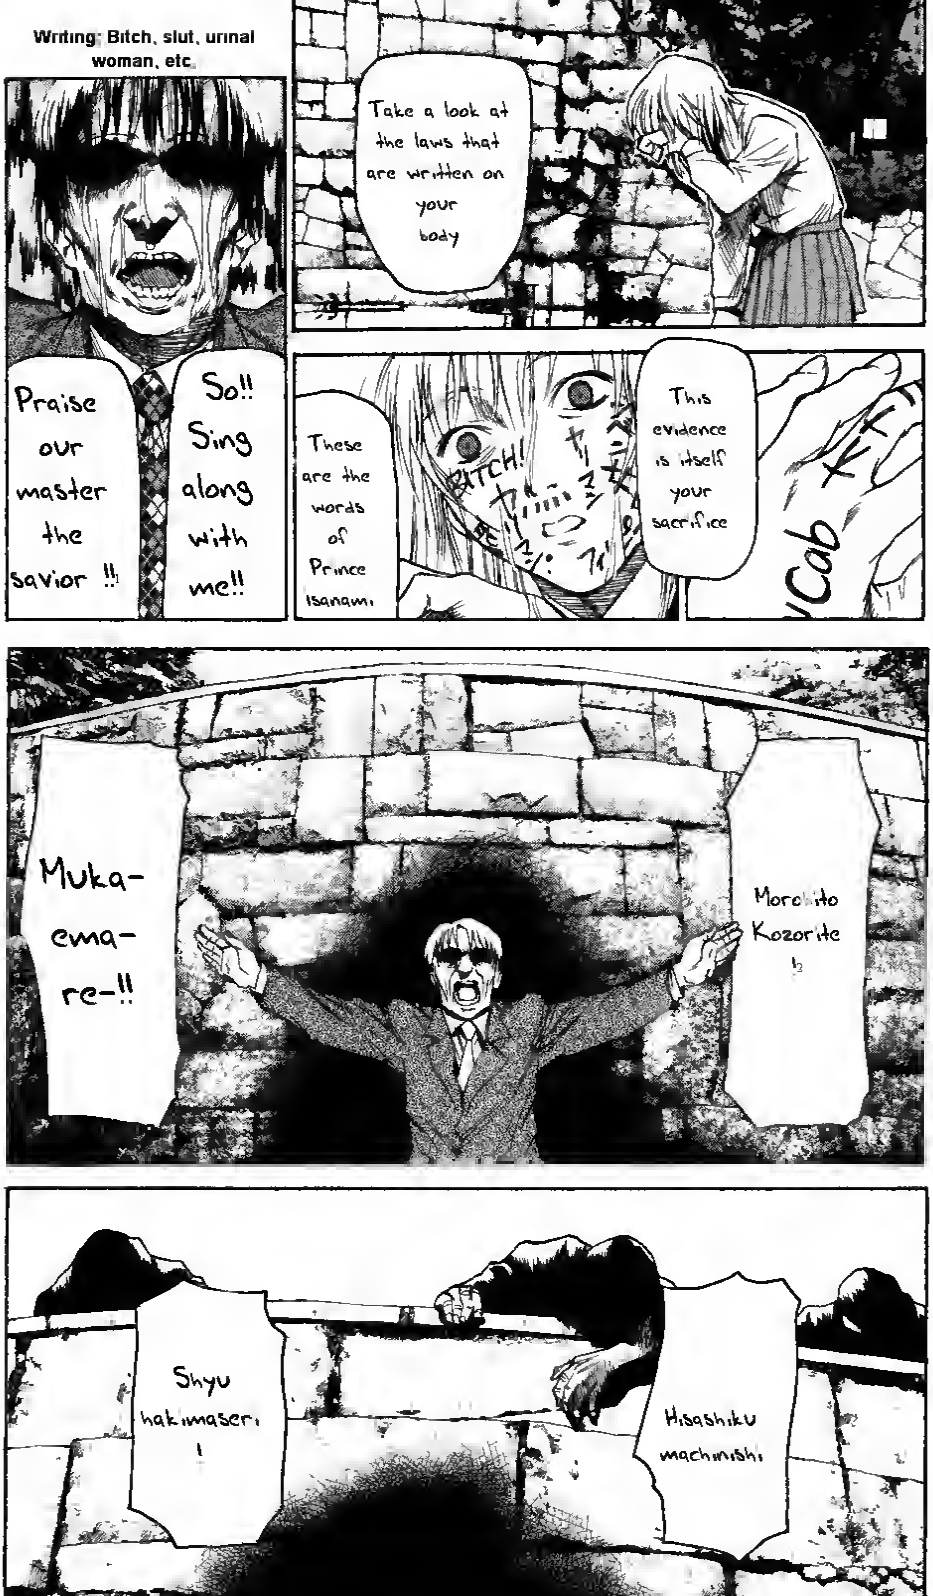
... THE GATE OF THE DEAD ...
アアアアアア
From here on we will pass out of this galaxy, move on to another star, take on a new life, and create a new world2
This is the gate of the dead that connects this world and that world.
There was a large conspiracy by the general building contractors in Tokyo!
That is correct
This is the gate of the dead
We have achieved our true goal
is our master the savior, Yuo
And that Lawyer
The king of the dead demands interest as a memory of the deceased so you need to hire a lawyer3
But when you pass through the gate of the dead, you must pay a tribute to the king of the dead

1 fugu [Trans Note] Very hard to translate everything the ghosts say because they always talk in only hiragana. Extremely annoying.

2 fugu [Trans Note] I don't know what "seikai" is - it is the combination of star and style - I just said that

3 fugu [Trans Note] I think it is "memory of the dead" - it also might be "illegal collection of reports" or "foreign country"



Writing: Bitch, slut, urinal woman, etc.
Take a look at the laws that are written on your body
Praise our master the savior !!
So!! Sing along with me!!
